# TOMMY BELLE

**TOMMY BELLE** is a 37-metre steel-hulled motor yacht built by German yard **Lubeck** in 2011. Between 2021 and 2022 she underwent a comprehensive refit, was lengthened by two metres in 2023 and updated again in 2025. Her interior, created by Egg & Dart and executed by Metrica, blends contemporary design with exceptional craftsmanship.

She accommodates up to eight guests in four cabins, including a main-deck owner's suite, a full-beam VIP cabin and two guest cabins on the lower deck. Panoramic windows in the main salon, sky lounge and master suite flood the interiors with natural light and provide sweeping sea views.

Outdoor living areas include multiple decks for relaxation and entertaining, a Jacuzzi, generous sunbathing spaces and a large swim platform. The salons are furnished with Fendi furniture and equipped with modern multimedia systems, creating an inviting atmosphere on board.

Powered by twin MAN engines of 809 kW each and Quantum stabilisers, **TOMMY BELLE** reaches a top speed of 14 knots and boasts a range of 5,000 nautical miles. Her navigation and engineering systems meet modern standards, with ongoing upgrades reflecting meticulous care.

A proven long-range motor yacht with a thoughtful layout, **TOMMY BELLE** is ready for immediate cruising — an attractive opportunity for buyers seeking a reliable, fully updated vessel for extended voyages.
