LADY BETTY

LADY BETTY is a 36-metre **Maiora Exuma** launched in 2024, combining Italian design, high performance, and versatile cruising capabilities. Powered by three MAN engines of 2,000 hp each with jet drives, she reaches speeds up to 32 knots, while her shallow 1.45-metre draft allows access to secluded bays and anchorages. The exterior was designed by Quartostile, with interiors by Acube Design. **LADY BETTY** accommodates up to 10 guests in five cabins, including a main-deck owner's suite, two VIP cabins and two guest cabins. Expansive decks and open lounge areas provide comfortable spaces for relaxation and entertainment, and a lift connects all decks for ease of movement.

With just 77 engine hours, **LADY BETTY** is in like-new condition, fully VAT paid, and ready for immediate use — offering the opportunity to enjoy a turnkey yacht without the wait.
