QUEEN J III

QUEEN J III is the newest **Custom Line Navetta 33**, launched in spring 2024. Built to a highly bespoke specification with over €2 million in upgrades, she features a fully customized interior, enhanced galley and laundry facilities, 14 underwater lights including bow illumination, a full-beam integrated helm station with oversized monitors, a premium AV package and nine CCTV cameras. A fold-out balcony extends the main salon, while a retractable side boarding ladder and a beach club with tender garage provide seamless access to the sea. Her sky lounge is furnished with a designer Edra sofa, while the exterior decks feature Kettal and Tribù furniture. The sundeck doubles as an open-air gym equipped with TecnoGym SOLE SRVO gear, including treadmill, free weights, kettlebells and benches.

QUEEN J III accommodates up to 10 guests in five cabins, including a full-beam owner's suite on the main deck, three VIP cabins and one guest cabin on the lower deck.

Twin MAN V12 engines of 1,400 hp each deliver a cruising speed of 12 knots and a top speed of 15 knots. Used only privately and showing minimal engine hours, **QUEEN J III** is lying in the Eastern Mediterranean and available for private viewings by appointment.
