MOTOR YACHT

KIJO

Built by **Heesen Yachts** in 2003, the 44-metre motor yacht **KIJO** combines an aluminium hull and superstructure with **Heesen's** signature engineering and timeless design. Twin MTU engines provide a reliable cruising speed of 14 knots and a top speed of 26 knots. A recent engine refit ensures she is fully ready for immediate use. **KIJO** accommodates up to 12 guests in five staterooms, including a full-beam owner's suite on the main deck. The lower deck features two VIP cabins and two guest cabins, each with additional berths. Panoramic windows in the salon and dining area flood the interiors with natural light, creating a warm and inviting space for relaxation.

Her exterior spaces include a sun deck with Jacuzzi, aft lounges and dining areas on both the upper and main decks, and a spacious swim platform for easy access to the water.

KIJO perfectly combines performance, comfort, and classic **Heesen** style, making her an ideal choice for both private cruising and charter.
