EVA

EVA — a 36.5-metre **Tecnomar Velvet 36** motor yacht, designed by Luca Dini and delivered in 2009 by Tecnomar. Fully commercially registered, **EVA** underwent a comprehensive refit in Athens in 2023, bringing her to like-new condition. The yacht accommodates up to 12 guests in five cabins: a full-beam master suite, two VIP cabins, and two double cabins with additional Pullman berths, each with an en-suite bathroom. The aft deck features an alfresco dining area, sun loungers, and a BBQ station with fridge, sink, and ice maker. For water activities, **EVA** is equipped with two tenders (AB 3.90 m and Zodiac 2.30 m), as well as Seabob, Jet Ski, water skis, wakeboards, inflatable bananas, and SUP boards.

The 2023 refit included:

- Full repaint of hull and superstructure
- Updated teak decks
- Overhauled hydraulic systems for bow and stern garages
- Refurbished upper deck furniture and awnings
- Modernized main salon, galley, wheelhouse, and crew areas
- New Pullman beds
- Inspection and servicing of propellers, shafts, engines, and generators
- Upgrades to bow thruster, desalination and air conditioning systems
- Enhanced electronics, AV systems, security, and monitoring

EVA combines modern design, high performance, and a full suite of amenities, offering comfort and functionality for both private use and charter operations.
