MOTOR YACHT MAIORA 37M 2027

FLAG -

MOTOR YACHT

M|38

Maïora M|38 is a 37-meter motor yacht with a beam of 8.2 meters, constructed from fiberglass. The exterior design, developed in collaboration with **Quartostile**, and the interior, styled by **Acube Design**, combine comfort, functionality, and understated elegance.

The main deck features a spacious lounge, dining area, and a full-beam master suite, while the lower deck accommodates four guest cabins, each with its own en-suite bathroom. There are also three crew cabins for five crew members, ensuring professional service and privacy. A side garage and fold-down platforms extend the cockpit space and provide convenient access to the water.

The yacht can be configured with two power options:

- **MAN V12-2200 engines, offering a top speed of 24 knots**
- **MTU 16V2000 M96L engines at 2,600 hp each, allowing a top speed of 30 knots**

Maïora M|38 perfectly balances performance, luxurious comfort, and functional design, making her ideal for both private cruising and charter operations.
