Measuring 28.97 metres in length and 6.76 metres in beam, she accommodates up to 10 guests in five cabins, including a full-beam master cabin on the main deck, three VIP cabins, and a convertible twin cabin. Crew accommodation consists of two cabins with ensuite bathrooms, ensuring excellent service and guest privacy.

The yacht is powered by two MAN D3872 V12 engines of 2,200 hp each, delivering a maximum speed of 29 knots, a comfortable cruising speed of 21 knots, and an economical speed of 14 knots.

Interiors, designed by **Ferretti Yachts**, feature a modern style with high-quality finishes. Guest cabins, salon, and exterior areas are equipped with Samsung TVs and Fusion audio systems. For extended passages, the yacht features watermakers, a galley, and a laundry area.

Exterior spaces include a spacious sundeck with lounge and dining areas, a hydraulic swim platform, and multiple lounge areas in the cockpit and foredeck. Tender launching is facilitated by an Opacmare system, and all decks are finished in teak for comfort and safety.
