ANDALA

ANDALA, the eighth hull in the **Baglietto DOM133** series and launched in 2025, represents a highly specified, virtually new 41-metre yacht with a volume of 415 GT. Used exclusively by a single owner and showing minimal engine hours, she stands out as a rare turnkey opportunity with no build wait time.

The interior, designed by Cassetta Yacht Designers, embraces a contemporary aesthetic with natural materials, refined finishes and custom furniture that create a cohesive and inviting atmosphere.

Accommodation is arranged for 10 guests across five cabins. The full-beam master suite features a fold-out balcony, two walk-in wardrobes and a spacious bathroom. Three VIP cabins and one twin cabin are located on the lower deck, each with its own ensuite bathroom.

The exterior spaces are designed for both relaxation and entertainment, featuring an aft pool with a transparent bottom, a Jacuzzi on the sundeck, and extensive lounge and dining areas. The sundeck is equipped with a retractable 85" swivel television, enabling an open-air cinema setup. A travertine-clad bar further highlights the quality of the yacht's finishes.

Built in aluminium to ABS classification and compliant with REG Yacht Code Part A, **ANDALA** is equipped with an SCR system meeting IMO Tier III requirements, a modern Termodinamica climate-control system, zero-speed stabilisers and an extended engineering specification. Twin Caterpillar C32 ACERT engines deliver speeds of up to 17 knots and a range of up to 3,400 nautical miles at 10 knots. Delivered to her owner in July 2025, she remains under shipyard warranty until July 2026 and is offered in "as-new" condition.
