## SILVER MISSILE

**SILVER MISSILE**, a **Pershing 6X** from the Pershing Anniversary Special Edition series, is a high-performance 18.94-metre sports yacht distinguished by its signature silver hull and superstructure, contemporary Fulvio De Simoni design, and an upgraded technical specification. The yacht has exceptionally low engine hours and is presented in immaculate, "as-new" condition.

The lower-deck layout features two cabins - a mid-ship master and a forward VIP - each with its own en-suite bathroom. The main-deck salon can be converted into an additional cabin, bringing total guest capacity to six. A separate crew cabin for one ensures private and efficient service on board.

Powered by twin 1,550 hp MAN engines, **SILVER MISSILE** reaches a cruising speed of 40 knots and an impressive maximum speed of up to 48 knots. A Seakeeper gyro stabiliser guarantees comfort both underway and at anchor. The yacht is equipped with an upgraded generator, tropical-spec air conditioning, a watermaker and a full suite of navigation systems. A brand-new Williams tender is included and has never been used.

Currently based on the French Riviera and fully ready for immediate use, **SILVER MISSILE** stands out as a rare offering in its segment - combining exceptional speed, a contemporary specification and pristine, near-new condition.
