MOTOR YACHT

ASTRIMARE II

ASTRIMARE II is a 26.76-metre **Sanlorenzo SL86** motor yacht, delivered in 2023, combining modern Italian design, impressive performance, and a comfortable, practical layout. The exterior, crafted by Zuccon International Project, features a planing GRP hull with smooth lines, large windows, and bright, contemporary interiors that maximise natural light.

She accommodates up to 8 guests in 4 cabins, including a full-beam master suite on the lower deck, a VIP cabin, a double guest cabin, and a twin cabin, all with en-suite facilities. The yacht carries a professional crew of three, ensuring seamless service and an effortless yachting experience.

The main salon flows directly onto the aft deck, creating an inviting indoor-outdoor space for relaxation and dining. Additional areas for leisure include the foredeck and the spacious flybridge, both ideal for sunbathing, al fresco meals, and socialising. A large swim platform provides easy access to the water, supporting a range of water sports and recreational activities.

ASTRIMARE II perfectly blends style, performance, and comfort, making her a turnkey choice for private ownership or luxury charter experiences.
