## BIG RUBBER DUCK

**BIG RUBBER DUCK** is a 28-metre motor yacht built by **Peer Gynt** in Turkey and launched in 2010. Her planing GRP hull and superstructure ensure confident handling on the water, while a beam of 7 metres and draft of 1.35 metres allow access even to shallow bays.

She accommodates up to 8 guests in 4 cabins, with a professional crew of 4 providing discreet and attentive service. The yacht features a tender garage, a spacious main salon, and well-planned outdoor areas designed for relaxation, socialising, and entertaining.

The interiors are equipped with premium appliances, including refrigerators and freezers, an oven and microwave, dishwasher, wine cooler, and laundry facilities from Miele, Liebherr, and Dometic, combining style with practical functionality.

**BIG RUBBER DUCK** perfectly blends performance, volume, and versatility, making her an ideal yacht for active cruising with family and friends.
