MILOS AT SEA

MILOS AT SEA is a 35-metre **Codecasa** motor yacht built in 2000 and refitted in 2022. Designed with a classic full-displacement hull and steel construction, she offers a smooth, stable and comfortable ride, particularly well suited to longer passages. A cruising speed of around 13 knots makes her ideal for relaxed cruising with efficient fuel consumption.

The yacht accommodates up to 10 guests in four en-suite cabins. The layout comprises two double cabins and two twin cabins with additional pullman berths, allowing flexible arrangements for different guest groups. All cabins feature private bathrooms. The main salon and the master cabin are located on the main deck and benefit from large windows that provide excellent natural light.

A professional crew of seven delivers a high level of service on board. The spacious flybridge serves as the main outdoor living area, offering sofas, sun loungers and an al fresco dining space with an open galley and barbecue - ideal for socialising and entertaining.

MILOS AT SEA is a well-balanced classic yacht, equally suitable for relaxed family cruising or more active holidays, with a proven technical platform and a practical layout for both charter and private use.
