## MOTOR YACHT

# PANTAREI

**Amer 92 M/Y PANTAREI** – a 28-meter motor yacht built by **Amer Yachts** in 2010 and fully refitted in 2024. She accommodates 7 guests in four cabins, including a full-beam Owner's suite, while the crew of three is accommodated in the forward area. The flybridge and cockpit provide generous outdoor spaces for relaxation and entertainment, and the timber superstructure combines classic styling with practical functionality.

The yacht is powered by twin Caterpillar C32 ACERT engines of 1,825 hp each, enabling a cruising speed of around 28 knots and a top speed of 32 knots. Her 8,000-litre fuel tank and 2,000-litre freshwater capacity provide excellent range for extended passages, while all onboard systems are well-maintained and in excellent working condition.

Following the 2024 interior refit, **PANTAREI** is fully ready for both private use and charter operations, offering a blend of high performance, functional layout, and comfortable onboard living.
