# MISS ADO

**M/Y MISS ADO** – Ferretti Custom Line 112 (34.16 m) is a 34-meter yacht built in 2008 by Ferretti Custom Line to a design by Zuccon International Project and recently refitted. The refit included new soft furnishings and lighting, as well as updated saloon, cabins, and flybridge, preserving the classic **Custom Line** character while modernizing onboard comfort.

With a beam exceeding 7 meters, **MISS ADO** offers exceptional volume and layout for her size. She accommodates 10 guests in five cabins: two Owner's suites, two VIP cabins, and one double guest cabin, all with en suite bathrooms and integrated multimedia systems. The crew quarters are fully separate, allowing discreet service without interfering with guest areas. This configuration is ideal for both private ownership and charter operations.

The main deck is arranged as a bright, open-plan space with a saloon and dining area, designed for comfortable living aboard. Large windows provide abundant natural light, and updated lighting enhances functionality and versatility. The flybridge offers an additional spacious outdoor lounge, perfect for sunbathing, dining, and enjoying passage underway.

**MISS ADO** is powered by twin MTU 12V 4000 M90 engines delivering 2,775 hp each, providing a cruising speed of around 22 knots and a top speed of 25 knots, allowing for fast passages without sacrificing efficiency on longer trips. Built under RINA classification, the yacht has undergone comprehensive technical maintenance, including generator servicing, satellite and audio system upgrades, and teak deck maintenance, ensuring she is ready for immediate operation without further investment.
