MOTOR YACHT

BGX83

The **Bluegame BGX83** is a flagship motor yacht measuring 25.60 meters in length and 6.30 meters in beam, combining spaciousness, enhanced functionality, and a seamless connection to the outdoors. The yacht offers a modern open layout with four spacious cabins, including a luxurious master suite. The crew quarters are designed to ensure professional service and privacy.

The salon entrance smoothly connects the interior with the exterior spaces. The yacht is controlled from the flybridge, offering a panoramic view and freeing up interior space. At the stern, a hydraulic platform with side balconies transforms the beach area into a large relaxation zone by the water. The yacht's design, developed by Luca Santella and Louis T. Codega, follows minimalist principles with clean lines. The **BGX83** is powered by three Volvo Penta D13 IPS 1200 engines, providing a maximum speed of 30 knots and a cruising speed of 28 knots. The **BGX83** offers spacious areas for day cruising, accommodating up to 16 passengers.
