MOTOR YACHT

FREYA

The **Ferretti Yachts 1000 FREYA** is a planing motor yacht measuring 30.13 meters in length, built in 2025. With a beam of 6.58 meters and a draft of 2.29 meters, the yacht combines volume, performance, and comfort. Its displacement is approximately 111 tons. The yacht is powered by two MTU 16V 2000 M96L engines with V-Drive transmission, allowing it to cruise comfortably at 24 knots and reach a maximum speed of 28 knots. It is also equipped with advanced systems, including gyro stabilization, upgraded generators, and tropical air conditioning throughout the yacht for both guests and crew.

The yacht's configuration includes five cabins with en-suite bathrooms, including a full-beam master suite, VIP cabins, and guest cabins, all with electric curtains, blackout systems, and integrated entertainment systems. Crew accommodations include three cabins with separate facilities to ensure professional service and operational efficiency. The spacious main salon and Ernestomeda kitchen are equipped with induction stoves, ovens, refrigerators, upgraded systems, and an electric sliding partition. The interior features high-quality finishes.

The yacht's exterior areas are designed for outdoor relaxation. The spacious flybridge features teak decking, a bar area, sunbathing space, a bimini system with tents, an ice maker, and an enhanced sound system. The aft area and beach zone include a shower, transformable seating, and direct access to the sea. The yacht also features a jet ski lowering system and comes with a Williams DieselJet 445 tender, which is stored in the garage.

Special Price (handover at the end of the 2026 season!) offers a unique opportunity to purchase this yacht under favorable conditions. **FREYA** is registered under the British flag and is currently located in Menorca, Spain, making it an ideal choice for purchasing a **Ferretti Yachts 1000**, ready for private use and extended Mediterranean cruises.
