## MOTOR YACHT

BG74

The **BG74** is a 22.82-meter motor yacht designed by Luca Santella with a hull by Lou Codega. The **BG74** combines the freedom of an open yacht with the comfort of a high-speed cruiser. The yacht offers spacious exterior areas and a fully customizable interior.

The **BG74** features a spacious cockpit with a dining area and sunbathing zone, as well as flexible living spaces. The design blends elements of the **BG** series with the bold layout of the **BGX**, while the stylish design by Zucccon International Project pushes the boundaries of modern yacht design. The interior includes three cabins, accommodating up to six guests and two crew members. The yacht is designed with a focus on comfort and practicality, featuring high-quality finishes and ample space. The **BG74** is equipped with two Volvo Penta IPS 1200 D13 engines (900 hp each), with an upgrade option to two Volvo Penta IPS 1350 D13 engines (1,000 hp each). This configuration ensures a top speed of 30 knots and a cruising speed of 26 knots with a range of 4,000 nautical miles. Freshwater capacity is 1,000 liters.
