## AMER F126

**Amer F126** is a 37.8-meter motor yacht designed by Antonio Lucardo and Optima Design, offering the perfect blend of modern design and high performance. The yacht accommodates up to 10 guests in five cabins, including a spacious master suite on the main deck with panoramic windows and an en-suite bathroom. Below deck, there are four VIP cabins and two guest cabins, each with en-suite bathrooms, thoughtfully designed for maximum comfort.

The interior of the **Amer F126** combines exquisite materials such as Italian leather and natural wood, creating a unique atmosphere. Special attention has been given to the seamless transition between the interior and exterior areas. The main and upper decks offer stunning views, while the beach club with a hydraulic platform allows guests to fully enjoy time on the water.

Volvo Penta IPS engines ensure a quiet and smooth operation, achieving a cruising speed of 21 knots and a top speed of 24 knots - **Amer F126** provides excellent maneuverability and comfort during the cruise.
