## 400 GTC

**Saxdor 400 GTC** is a high-end motor yacht designed for exceptional performance and comfort. The main helm, spanning the entire width of the yacht, connects to the side terraces, creating a unique space for relaxation, whether in an enclosed or open configuration. Panoramic glass doors and an electric foldable hatch transform the yacht from a cozy cruiser to an open space on the water.

The **400 GTC** offers spacious and functional outdoor areas with terraces that expand the living space, providing direct access to the water and a unique connection to the sea. The yacht is also equipped with a state-of-the-art navigation system, including modern displays, radar, and AIS.

The interior of the yacht offers comfort, flexibility, and coziness, making it ideal for day cruising. The yacht accommodates up to 12 people, with a layout featuring 2 cabins with 4 berths and a shared bathroom. For overnight stays, the aft area can be converted into a sleeping area.
