MOTOR YACHT SAXDOR YACHTS 5.94M 2026

FLAG -

MOTOR YACHT

SX200

Saxdor 200 is a sporty and maneuverable motorboat, perfect for active water recreation. Combining stylish design with exceptional performance, it delivers an impressive experience without compromising on quality or versatility. The lightweight hull, built using vacuum infusion technology, ensures durability and agility. Paired with Mercury outboard engines, the **Saxdor 200** offers the perfect balance of power and efficiency. The boat weighs just 780 kg without the engine and around 1000 kg with the engine and full fuel tank, ensuring excellent fuel economy. The boat can also be used as a fishing vessel. The 200 Fishing package includes a Lowrance Elite FS chartplotter, a Motorguide trolling motor, a fishing chair, and rod holders, making it an excellent choice for fishing. The boat's steering wheel is designed for easy handling, and stainless-steel switches and optional Simrad touchscreen displays make navigation and control simple and comfortable. The bow features a sun lounger, which can be complemented with a sunshade. The bow deck can also be converted into a sleeping area for two adults or a resting spot for a child.
