MOTOR YACHT

D&D

D&D is a 25.91-meter motor yacht built by **Arcadia Yachts** in 2018, seamlessly combining stylish design, high performance, and comfort. Designed by Francesco Guida, **D&D** accommodates up to 8 guests in 4 spacious cabins on the lower deck. The yacht also accommodates up to 4 crew members, ensuring exceptional service throughout the journey.

The exterior deck spaces include an al fresco dining area in the cockpit with direct access to the swim platform, a large sunbed on the flybridge with a skylounge, and a semi-open salon on the main deck.

With a maximum speed of 18 knots and a cruising speed of 16 knots, the yacht offers a range of 1,500 nautical miles thanks to its 6,300-liter fuel tank. Its shallow draft of 1.65 meters allows the yacht to easily enter shallow waters and explore coastal areas, making it ideal for cruising along shorelines and reefs. Additionally, the yacht is equipped with 1,700 liters of fresh water storage, enabling long-distance voyages without refueling.
