GRANSport 38

The **Mangusta GranSport 38** is a 37.58-meter motor yacht designed with a focus on innovative design and performance. The **GranSport 38** stands out with its unique asymmetrical layout, which increases the yacht's internal volume. Large windows and open spaces create a seamless transition between the exterior and interior areas.

The main deck of the **GranSport 38** features a semi-open salon and a full-beam master suite with a terrace. The sun deck and upper deck are equipped with lounging areas, a Jacuzzi, and dining spaces, while the bow area features a pool and sunbeds. The aft beach club, with fold-down terraces and a swim platform, provides ideal conditions for water activities.

The **GranSport 38** reaches a maximum speed of 20 knots and a cruising speed of 18 knots, powered by four Volvo Penta D13-1000 engines, each with 1000 horsepower, offering a range of 600 nautical miles at cruising speed. The use of Volvo Penta IPS ensures better fuel efficiency and stability.
