## GT52

The **Pardo GT52** is a perfect balance of comfort and performance, designed for those who appreciate sporty cruising. Combining the best features of the Pardo Walkaround and Endurance series, the **GT52** is a versatile crossover ideal for day cruises.

With its signature reverse bow, sleek profile, and modern design, the **GT52** offers excellent performance, safety, and maneuverability. The spacious exterior lounging areas and panoramic windows create the perfect conditions to enjoy the sea. The exterior deck includes an al fresco dining area for eight, which transforms into a large sunbed, while the bow features a second sunbathing area. The aft swim platform provides easy access to the water, tender, and water toys.

On the lower deck, the **GT52** offers a customizable interior layout, allowing the choice between kitchen and cabin configurations. With the kitchen on the main deck, a cozy lounge area is created, while placing the kitchen on the lower deck increases salon space. The **GT52** offers flexible cabins, ensuring maximum comfort. The hybrid engines provide excellent performance with minimal environmental impact, making the Pardo **GT52** an ideal choice for those seeking style, functionality, and an active lifestyle on the water.
