## E60

The exterior of the **Pardo Endurance 60** impresses with its signature reverse bow and smooth, modern hull lines, reflecting the design philosophy of **Pardo Yachts**. The main deck features two fold-down terraces and a hydraulic swim platform, creating a spacious area for relaxation and water activities. The central dining area, sheltered by an electric bimini, is a perfect spot for al fresco dining. The panoramic flybridge provides an ideal outdoor lounge area to enjoy the views.

The interior of the yacht seamlessly blends light and space. Large windows offer stunning views, while the glass door between the dining area and cockpit enhances the connection between the interior and exterior spaces. The lower deck includes a full-beam master suite, two guest cabins with double beds, and three bathrooms. A separate crew cabin with an ensuite bathroom is located at the aft of the yacht. The **E60** is also available with hybrid engines, enhancing its sustainability and fuel efficiency. The yacht is perfectly suited for fast cruising, combining comfort and performance for an unforgettable experience on the water.
