MOTOR YACHT

P38

The **Pardo 38** is a high-performance motor yacht that perfectly combines style, performance, and versatility. Measuring 11.56 meters (37.93 feet) in length and 3.60 meters (11.81 feet) in width, it is ideal for those seeking adrenaline-filled experiences and comfort on the water. The **Pardo 38** reaches high speeds and is the perfect choice for daily outings with family and friends, and can also serve as a luxurious tender for larger yachts.

The yacht's exterior retains the signature walkaround configuration, offering spacious and adaptable areas for various activities. The central cockpit area, accommodating 6-8 people, easily transforms from a relaxation zone into a large sunbathing area. This makes the **Pardo 38** not only stylish but also a practical choice for those who value dynamism and functionality.

The **Pardo 38** offers two layout options: one with a double cabin and bathroom, and the other with an additional aft cabin featuring two single beds. The outboard engine configuration frees up space, making the interior even more comfortable and functional. The **Pardo 38** is equipped with outboard engines, ensuring both speed and maneuverability, while also guaranteeing fuel efficiency and a smooth ride.
