## CLODY

The **Pardo 43 CLODY** (2020) is an exceptional opportunity to acquire a virtually new day yacht with minimal engine hours. With only 269 hours on the engines, the yacht has been meticulously maintained, spending every winter in a protected shed and being used minimally during the summer as a day yacht. This makes it ideal for those seeking a stylish, high-quality yacht in impeccable condition.

The yacht is equipped with two Volvo IPS 600 engines, each delivering 435 horsepower, providing a top speed of up to 38 knots and a cruising speed of 28 knots with excellent fuel efficiency.

**Pardo 43 CLODY** accommodates up to 4 guests in two cabins and is fully equipped with all necessary amenities for a comfortable stay onboard. Features include a hydraulic swim platform, a fully equipped galley, and modern entertainment systems. Additionally, the yacht has VAT-paid status, adding extra value when purchasing.
