GRACE

GRACE, a 2023 Pardo GT52, presents a unique opportunity to acquire a nearly new yacht with minimal engine hours, eliminating the need for waiting for a build. Equipped with two Volvo IPS 800 engines (2 x 600 HP), the yacht cruises at approximately 26 knots, delivering excellent performance, maneuverability with joystick control, and low vibration levels. With only 328 hours on the engines, the yacht has been meticulously maintained by a single owner, stored in closed sheds during the winter, and used for about three months each year. The layout of **GRACE** includes two guest cabins and one crew cabin, providing comfortable accommodation for 6 guests. The spacious salon on the main deck seamlessly connects to the aft cockpit, allowing for enjoyment of life onboard both indoors and outdoors. **GRACE** is equipped with a hydraulic swim platform, a telescopic pontoon for easy access, and an electrically opening hardtop, adding extra comfort on sunny days.
