## THE IDLER

**THE IDLER** is an eco-friendly motor-sailing catamaran, the **Sunreef 80 Eco**, measuring 24.4 meters in length. Built with advanced technology, exceptional comfort, and sustainability in mind, **THE IDLER** is powered by electric propulsion, enabling it to cruise emission-free and with minimal noise, making it ideal for long-haul voyages. The catamaran can accommodate up to 8 guests in 4 cabins, including a master suite with a balcony and a king-size bed. Additionally, there are 4 crew cabins. The spacious salon features a bar, dining area, and relaxation zones, ensuring maximum comfort for all guests.

The exterior design includes a large flybridge with dining and lounge areas, as well as a beach club with fold-out terraces, creating 32 square meters of space with easy access to the water and water toys. Solar panels with a capacity of 32 kW and a hydro-regeneration system allow **THE IDLER** to operate autonomously, powering all onboard needs, including air conditioning and water purifiers.

Equipped with a Seakeeper stabilization system, **THE IDLER** reaches a top speed of 23 knots, with a cruising speed of 20 knots. It also features 550 kWh lithium batteries, ensuring uninterrupted operation of all systems and engines.
