MOTOR YACHT

NEXUS

The motor yacht **NEXUS**, built by **Sunseeker** in 2019, is part of the **131 Yacht** series, combining the brand's signature performance with a high level of comfort for extended stays on board. Since delivery, the yacht has been meticulously maintained, undergoing a refit in 2022 and scheduled servicing in 2026.

Her planing hull, with characteristic **Sunseeker** lines, ensures confident and stable handling underway. **NEXUS** is powered by twin MTU main engines, each with approximately 3,040 running hours. She reaches a top speed of 20 knots, with a comfortable cruising speed of 14 knots.

The layout accommodates up to 12 guests across five cabins, with separate crew quarters for up to eight crew members. Spaces are thoughtfully organized to maximize comfort for extended cruising, balancing interior lounges with expansive outdoor deck areas.

The yacht places special emphasis on outdoor living. The sun deck features a lounge area with a four-person jacuzzi, a bar, and comfortable sunbathing spaces.

Additionally, there is a dedicated fitness area equipped with a stationary bike, free weights, and yoga accessories. Wellness features include a massage table and a steam shower, ensuring maximum relaxation and recovery on board.

NEXUS is in excellent condition, reflecting consistent maintenance and careful ownership, and is fully ready for immediate use with no additional investment required.
