## AMAN

The motor yacht **AMAN**, built by **Sanlorenzo** in 2016 and refitted in 2023, measures 29.26 meters in length, 6.75 meters in beam, with a draft of 1.95 meters. Her interior is bright and contemporary, featuring well-proportioned spaces and large windows that flood the saloon with natural light. The main saloon seamlessly integrates interior and exterior areas, creating a unified space for relaxation and entertainment. **AMAN** accommodates nine guests across four cabins: a full-beam master suite on the lower deck, a VIP cabin, a double guest cabin, and a flexible cabin with an additional Pullman berth, each with an en-suite bathroom. The crew of four is housed separately, with two bathrooms, ensuring professional service and privacy. The flybridge is equipped with sunbathing areas, an open-air dining space, and panoramic views, while the aft cockpit provides a comfortable space for socializing and entertaining. Wide side decks allow safe and easy movement throughout the yacht.

She is powered by twin MTU 16V 2000 M96L engines, each producing 2,216 hp with approximately 1,500 running hours, giving a top speed of 27 knots and a cruising speed of 22 knots. Combining high construction standards, thoughtful design, and reliable performance, **AMAN** is a versatile yacht offering comfort, efficiency, and longevity.
