## BAMBOO

The motor yacht **Fast 125 BAMBOO**, built by **Benetti Yachts** in 2019, exemplifies modern Italian shipbuilding, combining high performance, elegant design, and maximum onboard comfort. She is powered by twin MTU 16V 2000 M96L engines with a combined output of 2,636 hp, enabling a top speed of 24 knots and a comfortable cruising speed of 17.5–18.5 knots.

The exterior was designed by Stefano Righini, while the interior was created by Redman Whiteley Dixon (RWD). Outdoor areas include a sun deck with a jacuzzi, loungers, and relaxation zones, an alfresco dining area, as well as a spacious foredeck and aft terraces offering panoramic views and sunbathing spots.

The interior is light and contemporary, with spacious saloons on the main and upper decks. The layout accommodates up to 10 guests across five cabins: a master suite with a fold-down balcony, two double guest cabins, and two cabins with twin beds. The crew of seven is housed in separate quarters, ensuring professional service and full guest privacy.

**BAMBOO** combines high speed, stylish and spacious interiors, elegant design, and technical reliability, making her an ideal choice for owners seeking a modern, fast, and comfortable yacht in excellent condition.
