MAYBE NOT

The motor yacht **MAYBE NOT**, built by **Ferretti Yachts** in 2009 and refitted in 2022, is a **Ferretti 830** model - a 25-meter yacht that blends classic Italian design with updated technical systems. She is registered under the Greek flag and maintained in good technical condition, with a yard period completed in 2026 covering the hull, main engines, and key onboard systems.

The layout accommodates up to eight guests across four cabins. The full-beam master suite benefits from enhanced natural light thanks to enlarged windows. The cabin configuration makes the yacht well suited for both private use and charter operations.

Outdoor areas form the core of onboard living. The aft main deck features an alfresco dining area, while the flybridge serves as the primary social space, complete with a bar and ample seating for guests. A beach club area provides convenient access to the water.

MAYBE NOT combines a proven **Ferretti Yachts** platform with upgraded systems and balanced performance, offering a versatile and practical solution in the 25-meter segment, with a focus on comfort and usability.
