MOTOR YACHT

INFINITE VOYAGE III

INFINITE VOYAGE III is a 32-metre motor yacht delivered in 2022 by **Azimut Yachts**. Constructed in GRP, her hull and superstructure are engineered to reduce weight while maximizing internal volume, offering space comparable to larger yachts. Her exterior styling is by Stefano Righini, with interiors by Achille Salvagni, creating a contemporary Italian aesthetic focused on elegance and functionality.

Accommodation is arranged for up to 12 guests across five staterooms. The full-beam master suite is located on the main deck and benefits from panoramic windows, while the lower deck features four guest cabins, including two VIP cabins and two twin cabins with additional Pullman berths. All staterooms are en-suite. Separate crew quarters for up to five include dedicated service areas and a crew galley, ensuring efficient onboard operations.

Exterior spaces are designed for comfortable outdoor living. The flybridge features a dining area for up to 10 guests and a bar, with provisions for a Jacuzzi and BBQ module. The aft section is arranged as a beach club of approximately 18 sqm, providing convenient access to the water. A side garage accommodates both a tender and a jet ski; the yacht comes with a 5-metre Highfield tender powered by a Yamaha 20 hp outboard.

The raised pilothouse configuration allows for effective separation between navigation and guest areas, enhancing both operational efficiency and onboard comfort.

Combining generous internal volume, modern engineering, and well-balanced performance, **INFINITE VOYAGE III** offers a versatile platform for both private cruising and charter use.
