MOTOR YACHT

GRAZIADIU

GRAZIADIU is a 33.48-metre **Mangusta 108** motor yacht delivered in 2008 by **Mangusta (Overmarine)**, with a comprehensive refit completed in 2025. She is a high-performance planing yacht designed with a strong focus on speed and dynamic cruising.

Accommodation is arranged for up to 10 guests across four staterooms. The full-beam master suite is located amidships and features a lounge area, desk, and en-suite bathroom. Forward are two VIP cabins with double beds and en-suite facilities. An additional guest cabin offers flexible arrangements, including a single bed, bunk beds, and a Pullman berth. Crew quarters for five are arranged across three cabins with separate service areas.

Powered by twin MTU 12V 4000 M90 diesel engines (2,730 hp each, approx. 1,566 hours), **GRAZIADIU** delivers the high-performance characteristics expected from the **Mangusta** range. Power is supported by twin Kohler generators (33 kW each, 230V AC / 24V DC). Technical equipment includes a Frigomar air conditioning system, a 47 kW hydraulic bow thruster, Racor and Westfalia fuel filtration systems, and Gianneschi pumping and firefighting systems.

The yacht comes with a Williams Turbojet 385 tender, a jet ski, and a selection of water toys, enhancing onboard leisure options.

A significant refit in 2025 included servicing of the main engines, generators, and waterjet systems, maintenance of anchoring equipment, renewal of antifouling coatings, and class inspections. **GRAZIADIU** is compliant with Maritime and Coastguard Agency (MCA) requirements and classed by Bureau Veritas, making her suitable for charter operations.

Combining high-speed performance, solid technical pedigree, and recent upgrades, **GRAZIADIU** represents a compelling option for both private use and charter.
