MOTOR YACHT

NESMARI

NESMARI is a **Riva 63' Vertigo** built by **Riva Yachts**, representing one of the brand's most recognizable sport yacht models. Designed by **Officina Italiana Design**, the yacht combines striking exterior styling, high performance, and the understated Italian elegance that defines modern **Riva** models.

One of **NESMARI's** distinguishing features is her custom metallic silver hull finish, giving the classic **Vertigo** profile a sharper and more contemporary appearance while preserving the unmistakable identity of the series.

Exterior spaces are arranged with a focus on open-air living and fast coastal cruising. The hardtop is extended with an enlarged GRP aft section, providing additional shade over the cockpit. The aft deck incorporates a lounge area with a wet bar, sink, and ice maker, while teak decking, a hydraulic swim platform, and passerelle enhance usability and access to the water. Forward, a dedicated sunbathing area is designed for use both underway and at anchor.

Accommodation is arranged for up to 6 guests across three en-suite staterooms. The full-beam master suite is positioned amidships, complemented by a VIP cabin forward and a twin guest cabin. The main saloon combines lounge and dining areas in the restrained, functional style characteristic of contemporary **Riva** interiors. A separate crew cabin accommodates one crew member.

Powered by twin MAN V12 engines, **NESMARI** cruises at approximately 34 knots and reaches a top speed of up to 40 knots. She delivers the responsive handling and dynamic performance associated with the **Vertigo** series while maintaining comfort during longer coastal passages. Bow and stern thrusters, together with trim systems, support precise maneuverability.

In 2022, the yacht received significant upgrades to her navigation systems, including new Raymarine HybridTouch displays, radar, GPS, autopilot, and DSC-enabled VHF systems. Additional onboard features include a multi-zone Bose sound system, televisions, air conditioning, and a fully equipped galley. A Williams 325 Turbojet tender is also included.

Fast, elegant, and highly recognizable, **NESMARI** offers a refined blend of performance and Italian design, ideally suited for stylish coastal cruising and Mediterranean day-to-day yachting.
