MA BELLE

MABELLE is a stylish and spacious **Azimut 78 Flybridge** built in 2022. She combines contemporary Italian design, strong performance, and advanced onboard technology within one of **Azimut's** most successful 24-metre platforms.

The yacht was developed by **Azimut Yachts** with exterior styling by Alberto Mancini and interiors by Achille Salvagni Architeti. Thanks to **Azimut's Carbon Tech Generation** construction, which incorporates carbon fibre elements in the upper structure, the yacht benefits from reduced weight, improved stability, and greater fuel efficiency.

Accommodation is arranged for up to 8 guests across 4 en-suite cabins. The layout includes a master suite, two double cabins, and one twin cabin convertible into a double. Separate accommodation is provided for 4 crew members.

The interior follows a contemporary Italian style with large panoramic windows, bright living spaces, and a calm, elegant atmosphere. The main saloon combines a lounge area, dining space, and smooth access to the exterior decks.

One of **MABELLE's** strongest features is her outdoor living arrangement. The spacious flybridge includes a hardtop, bar, dining area, lounge spaces, and large sunbathing zones. Additional relaxation areas are located aft and on the foredeck.

The yacht is powered by three Volvo IPS 1350 engines producing 1,000 hp each.

Cruising speed is approximately 26 knots, with a maximum speed of up to 33 knots.

The IPS system provides joystick manoeuvring, excellent handling, reduced vibration, and more efficient use of interior volume.

Comfort on board is supported by a Seakeeper stabiliser, a powerful air-conditioning system, and an integrated Garmin platform controlling navigation, lighting, climate, and onboard systems.
