MOTOR YACHT

DANIMA

DANIMA is a 30.48-metre **Ferretti Yachts 1000** delivered in 2023 and represents one of the finest examples of the flagship Ferretti model currently available. Since delivery, she has remained under the ownership of a single owner and has been used exclusively on a seasonal basis in the Mediterranean.

The yacht has benefited from meticulous care throughout her life. Annual maintenance programmes have been completed without exception, while each winter she has been stored indoors and maintained by a professional Italian crew retained year-round. Following the completion of all scheduled servicing and maintenance works, **DANIMA** is presented in turnkey condition and fully ready for immediate cruising.

Accommodation is arranged for up to 10 guests in 5 cabins. The full-beam owner's suite is located on the main deck, while four guest cabins with en-suite bathrooms are situated on the lower deck. Separate crew quarters accommodate up to 5 crew members, ensuring smooth operations and a high level of onboard service.

One of **DANIMA's** strongest attributes is her exceptional outdoor living space. The spacious flybridge features a bar, grill and al fresco dining area sheltered beneath a carbon-fibre hardtop. Forward, the signature Infinity Deck provides a private lounge area with sunpads and panoramic sea views. At the stern, a beach club with a hydraulic swimming platform and integrated staircases creates effortless access to the water.

The interior is styled in a contemporary Italian aesthetic and benefits from floor-to-ceiling glazing throughout the main deck. The saloon combines a comfortable lounge area with a formal dining space, creating a bright and welcoming environment for life onboard.

Power comes from twin MTU 16V 2000 M96L engines producing 2,600 horsepower each. With approximately 725 engine hours, **DANIMA** reaches a top speed of 28 knots and cruises comfortably at 24 knots.

Combining low engine hours, single-owner history, impeccable maintenance standards and a highly desirable specification, **DANIMA** stands among the most compelling opportunities currently available in the 30-metre motor yacht market.
