CRAZY DIAMOND

CRAZY DIAMOND is a **Monte Carlo Yachts MCY 70**, built in late 2016 and launched in 2017. Combining contemporary Italian styling, generous outdoor living areas and a highly practical layout, she remains one of the most sought-after models in the 70-foot flybridge segment.

Presented in excellent condition, **CRAZY DIAMOND** has accumulated approximately 500 engine hours, has been privately owned throughout her life and has benefited from consistent maintenance. With VAT paid status and a comprehensive specification, she is ready for immediate use following purchase.

The yacht is equipped with an impressive package designed to enhance comfort and manoeuvrability, including twin Seakeeper 9 gyro stabilisers, a Dynamic Positioning System (DPS), joystick controls, Humphree automatic trim control, and both bow and stern thrusters. Together, these systems make handling straightforward while significantly improving comfort both underway and at anchor. The main deck benefits from abundant natural light thanks to large panoramic windows. The saloon combines a comfortable lounge area, formal dining space and an open-plan galley equipped with Miele appliances, creating a practical and sociable environment for everyday life on board.

Accommodation is arranged for up to 8 guests in 4 cabins. The layout includes a full-beam owner's suite, a forward VIP cabin, a twin guest cabin and a bunk-bed cabin. This versatile configuration is particularly well suited to family cruising and hosting guests of different ages.

Outdoor spaces have been designed for relaxed Mediterranean living. The aft cockpit features an al fresco dining area, while the hydraulic swim platform provides convenient access to the water and tender. Forward, guests can enjoy dedicated sunbathing and lounge areas, while the flybridge is equipped with a hardtop, bar, refrigerator, ice maker and barbecue, creating an additional social space with panoramic views.

A Williams Turbojet 385 tender is also included, completing a specification that makes **CRAZY DIAMOND** an attractive turnkey opportunity for private cruising and family adventures on the water.
