MOTOR YACHT

PEARL 1

PEARL 1 is a 2024 **Absolute Navetta 52** presented in exceptionally close-to-new condition, with only approximately 32 engine hours since delivery. Privately owned from new and never offered for charter, she represents one of the newest examples of the model currently available on the market, offering all the benefits of a recent delivery without the delays and uncertainty associated with a new-build project. Despite her 16-metre length, **PEARL 1** delivers a level of volume, practicality and onboard comfort more commonly associated with significantly larger yachts. Expansive panoramic glazing, intelligent space planning and seamless transitions between indoor and outdoor areas create an onboard experience that feels remarkably spacious for her size.

Accommodation is arranged for up to six guests in three cabins, while a separate crew cabin enhances operational flexibility and allows owners and guests to enjoy greater privacy during extended cruising.

The main saloon combines lounge and dining areas within a bright, open-plan interior featuring panoramic views in every direction. High-quality materials, natural wood finishes and marble accents create a refined yet practical atmosphere designed for comfortable life on board.

Outdoor living is one of the yacht's strongest attributes. The spacious flybridge features generous seating areas, an al fresco dining space, a wet bar, barbecue, ice maker and an electrically operated opening roof. Forward, an additional lounge area provides a comfortable setting for relaxing both underway and at anchor, while the hydraulic swim platform offers easy access to the water.

PEARL 1 is powered by twin Volvo Penta D6 IPS650 engines, delivering efficient fuel consumption, excellent manoeuvrability and intuitive handling. Additional equipment includes hydraulic bow and stern thrusters, tropical-specification air conditioning, advanced navigation systems and preparation for the installation of a Seakeeper stabiliser.

Combining minimal engine hours, private ownership, a highly versatile layout and the renowned comfort of the **Absolute Navetta** range, **PEARL 1** represents a rare opportunity to acquire a virtually new yacht that is fully equipped and ready for immediate cruising.
