MOTOR YACHT

IBIZA

IBIZA is an exceptionally well-maintained **Princess 72 Motor Yacht**, privately owned since new, professionally crewed and never offered for charter. Throughout her life, she has benefited from continuous upgrades and meticulous maintenance, remaining in exemplary technical condition. A comprehensive service history and complete dry dock records reflect an outstanding standard of ownership, allowing her next owner to step on board with complete confidence.

Finished in elegant high-gloss walnut, the interior combines **Princess's** renowned British craftsmanship with a practical, contemporary layout. Accommodation is arranged for up to eight guests in four beautifully appointed cabins, including a generous full-beam owner's suite offering the level of space and comfort more commonly associated with significantly larger yachts. Separate accommodation for two crew ensures professional service while preserving the privacy of owners and guests.

Life on board naturally revolves around the spacious flybridge, where a generous dining area, bar and comfortable lounge spaces provide the perfect setting for entertaining while enjoying panoramic views. The aft cockpit, inviting foredeck seating area and hydraulic swim platform complete a thoughtfully designed outdoor layout, equally suited to relaxed family cruising and social occasions with guests. Her specification goes well beyond the standard model, featuring a carefully selected range of owner-specified upgrades that enhance both comfort and ease of operation. TRAC fin stabilisers, hydraulic bow and stern thrusters, and an additional cockpit docking station make handling remarkably straightforward for a yacht of this size, while the premium Bose sound system and numerous bespoke enhancements further underline her exceptionally high level of equipment.
