MOTOR YACHT

THYKE II

THYKE II is a 24.5-meter motor yacht built in 2008 and refitted in 2023, designed for high-speed cruising. It is powered by two MTU 16V 2000 M93 engines (2,450 horsepower each) and waterjet drives, allowing it to reach a maximum speed of 45 knots and a cruising speed of 36 knots.

The main salon of **THYKE II** is equipped with a glass door that opens fully, seamlessly connecting the interior and exterior spaces, creating a comfortable outdoor lounge area. The interior is designed using high-quality materials.

THYKE II accommodates up to 6 guests in 4 cabins, including a full-beam master cabin, a VIP cabin, and two guest cabins. There are also 3 guest bathrooms onboard, and the crew quarters are designed for 2 people.

THYKE II is equipped with Kohler 20kW generators, a watermaker (Idromar – 180 liters/hour), a hydraulic gangway for easy boarding and disembarking, and a Williams 325 tender, which is stored in the aft garage and launched using a hydraulic crane.

THYKE II is the perfect combination of performance and modern design, offering an excellent yachting experience for those seeking a blend of speed and style.
