## ELYSIUM I

Delivered in 2019 as part of the renowned **Riva 110 Dolce Vita** series, **ELYSIUM I** embodies Italian elegance, cutting-edge design, and performance. Crafted from composite materials with teak decks, her sleek exterior comes from Officina Italiana Design in collaboration with Ferretti Group's engineering department.

She accommodates 11 guests in 5 cabins, including a full-beam master suite on the main deck, with additional space for 5 crew in 3 cabins. The interior features panoramic windows in the main salon, while exterior areas offer alfresco dining, a spacious swim platform, and a tender garage.

Powered by twin MTU 16V 2000 M96L engines (2,638 hp each), **ELYSIUM I** reaches a top speed of 26 knots and cruises comfortably at 21 knots with a range of approximately 430 nm.

Recently completing her five-year class survey, she is commercially registered and offered with a 6.9m Rib-Eye tender.

**ELYSIUM I** is a rare opportunity to acquire a sleek and stylish Riva superyacht, ready for private enjoyment or charter.
